<i>Lymphatic drainage massage 60 minute</i> To help the body to transport all the toxic waste from the cells and tissue to the detox organs and out of your system	\$63		
<i>Infrared Sauna 30 min session</i> Far infrared rays are part of the sun's natural spectrum. The radiant energy produced by an infrared sauna is the same as heat from the sun, with the exclusion of the ultraviolet rays. A heat source emits infrared waves that penetrate and relax the body as increased blood circulation warms the skin. A flood of sweat and toxins is released through the skin's open pores as the warm blood circulates deeper throughout the body.	\$25
